CRIMPERS & CUTTERS

Crimpers & Cutters

Hand-Held & Bench Mount Crimpers

FEATURES:

- Hexcrimp available in hand-held and bench mount models
- Bench mount also attaches to wall, service truck, etc.
- Bench mount tools easier to use, safer, less likely to get damaged or "lost"
- Patented features
- Made in U.S.A. by Quick Cable

Safety & Performance

Reduce your liability and improve your performance. Quick Crimp die cast connectors and MagnaLugs are UL listed when applied with Quick Cable HexCrimp tools #4255 and 4255M.

FEATURES:

- Cuts cable up to 250 MCM (6/0 Ga.)
- 22" handles for easier cutting
- Blades made of 1075 hardened carbon steel, can be resharpened

QuickCutter™

Your choice of hand-held or bench mount cutters. Bench mount cutters can also be attached to wall, service truck, shop cart, etc.
